

# Lotte Lamps

Floor lamps provide another alternative for lighting where you need it.

Adjustable in height from 44" to 78", these heavy-duty beauties can be used equally well at your chair side, or as a torchiere, or anywhere in between.

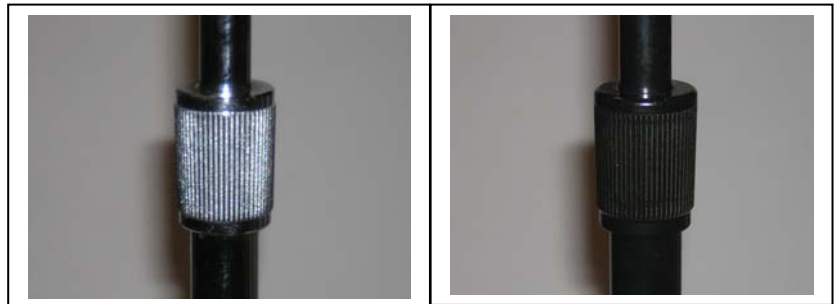

Three way switches allow you to choose between low, medium, and high level illumination.

The long and the short of it.

Your choice of three lampshades – (from left) M-II, C-II, G-I

Your choice of two colors – Chrome and Black  
Clutches for height adjustment pictured.

Heavy-duty cast iron bases for stability.
